# 2010 Desk Flip Calendar

2010 Desk Flip Calendar is now available

Orders are being accepted for the 2010 Desk Flip Calendar which will be available to ship in mid December. Orders can be securely placed using the "Add to Cart" button on my website- <http://pedenphotography.com> or by returning the Order Form below.

Measuring just 4.5" by 8.25", this handy, self standing 12 month calendar is great for any place where you need to glance at the date. Each calendar is \$6 which includes shipping domestically via USPS.

## Calendar Images

Images used for the 2010 desk flip calendar include pictures taken in Italy, Canada and close to home in New Jersey. My favorites of course are the two pictures of my little 6 yr old poodle Blizzard.
